To Whom It May Concern:

Attached is an application for an Ellwanger Barry Nursery and KinderGarden School scholarship. You must meet the income guidelines listed below in order to qualify for a scholarship. Scholarships are available on an "as needed basis" and if the board approves scholarship funds for the upcoming school year. In the event that more eligible applications are received than funds are available, scholarships will be awarded by the greatest financial need first. Notification of scholarship awards will be completed by May 2017.

Completion of this application form and submission of supporting document are required in order to be considered for the award. Such supported documents are proof of family annual income, i.e. - most recent tax return or W2 forms. Please note that an applying family can receive only one scholarship per family, per year. All information will be kept strictly confidential within the scholarship committee of EBNS.

The income guidelines for the scholarship follow that of the Federal register school lunch program (annual income guidelines-reduced price meals 185%). To apply for an Ellwanger Barry Nursery School and KinderGarden scholarship, your annual income must be at or below the income limits for your household size.
